# **WELCOME!**

After twenty-seven years of planning reunions our simple idea of personal service is still working. Great Reunions treats people in the business world the way they'd be treated if they were our neighbors. We're happy to say that despite the increasing technology of the world, our simple idea works as well today as the day we started.

This simple idea has enabled us to grow to a point where we are now America's oldest, largest, and most successful Reunion Management Company.

Everyone at Great Reunions enjoyed making your "Reunion" a truly Great Reunion. As a "Special Thank You" we would like to extend, to you or your guest, an opportunity to pay for your ticket. For every future reunion referral Great Reunions contracts to do, we will refund to you or your guest, the price of tonight's individual ticket.

Please contact our Sales Department for the details on this referral program.

# **THANK YOU!**

Tonight you will turn back  
the clock and renew old  
friendships that have drifted apart.

Our best wishes  
for a most enjoyable and  
unforgettable experience!
